

Christie Easterling

MASSAGE THERAPY
GRADUATION DATE: JUNE 2010

Christie chose Antonelli College because the classes were small and she knew that she could get more one-on-one help. She chose Massage Therapy because it has always been something that she was very interested in.

"My proudest moments were completing school and graduation," said Christie. "Now I am in a career that I love! I am happy to have met my massage instructors. If it wasn't for them, I wouldn't be where I am now. Despite the hard times, they were always there to pull me through."

Christie currently owns her own business, Soothing Touch at Tropi Tanna Tanning Salon. Her duties include providing clients with a clean and relaxing atmosphere, listening to their needs and helping their health.
