

Lathoshia Evans

BUSINESS OFFICE TECHNOLOGY/MEDICAL ASSISTING
GRADUATION DATE: JUNE 2009

"I chose the medical assisting program because I love working with others, helping others, and I want to eventually become a registered nurse."

As a medical assistant at Wesley Medical Center in Ellisville, MS, LaToshia is responsible for taking patient vital signs, giving injections, triaging patients, scheduling appointments and calling in prescriptions to pharmacies.

LaToshia, a recipient of the Most Outstanding New Medical Student award said, "I think Antonelli College did a great job of preparing me for the medical field. Thanks to Antonelli College, I have received so many compliments on my work."
